

# Only God Knows

Kevin Wright

Key of C

## Verse 1:

**C**  
Sometimes its easy, to ask yourself why,  
**F** **G**  
When the hurt that you feel, cuts so deep inside  
**C** **C** **G**  
And it seems like you've lost,  
**G**  
Your reason for life,  
**F** **C** **G**  
Oh but hear what I say, and take my advice  
**F** **C**  
Don't give up you're not walking alone  
**F**  
For there's One whose beside you  
**C** **G**  
He's been there all along  
**F** **C**  
And He knows every tear that you've cried,  
**F** **G**  
And He has the answer to why

## Chorus:

**F** **G**  
**Only God knows how your broken heart,**  
**C** **G/B** **Am**  
**Fits in His master plan,**  
**F** **C** **G/B Am**  
**And just when you think your world is falling apart**  
**F** **G**  
**You'll find He's holding your world in His hand,**  
**F** **G** **G/B** **C**  
**Why must the sparrow, fall to the ground I don't know,**  
**G/B** **Am**  
**but I know God sees**  
**F** **C** **G/B** **Am**  
**It's beyond my mind, only God knows why,**

**F** **G** **C**  
And that's good enough, for me.

**Verse 2:**

**C** **G**  
Why must I watch someone I love so  
**F** **C** **G**  
whither and die, before growing old,  
**C** **G**  
Why must a mother lose her pride and joy  
**F** **C** **G**  
And a daddy say good-bye, to his little boy  
**F** **C**  
I don't know I only know that its so  
**F** **C** **G**  
I don't mean to question God with things I'm not meant to know  
**F** **C**  
For my trust is still in Him alone  
**F** **G**  
Knowing God is still on His throne

**Repeat Chorus**

**Bridge:**

**F** **G** **Abdim** **Am**  
Why must the sparrow, fall to the ground I don't know,  
**G/B** **C**  
but I know God sees  
**F** **C** **G/B** **Am**  
It's beyond my mind, only God knows why,  
**F** **G** **C**  
And that's good enough, for me.
